Breffni Mental Health. Thank all who contributed to Church Gate Collection. €560 raised **The Irish Heart Foundation's** mobile health unit offers free blood pressure checks to groups and communities across Ireland. The mobile health unit will be in Drumshanbo (beside the library), Friday 7th Sept from 10am – 3pm. On the day we will have two nurses available on the mobile health unit to provide free Blood Pressure Checks and heart health information. The one-to-one advice offered by the nurse is a vital part of this check. Each person receives a personal record card with their results and in the event of any abnormal results is advised to follow up with their GP. High blood pressure which is a major cause of stroke and heart attack is one of the most prevalent risk factors in the population and one which once identified is manageable, thereby reducing risk. A blood pressure check is a simple, quick and non-invasive test that could prove life-saving.’

Creation Time September 1st to October 4th.

Our Common Home is for the good of all life. These resources of our world while abundant, are finite, and therefore need responsible management in co-operation with Earth's processes. "Soil, water, mountains: everything is , as it were, a caress of God" Actions we might take:

- 1 Inform ourselves about the wonder and beauty and brokenness of our world
- 2 Work for healthy soil by planting trees, flowers, organic growing, composting.
- 3 Ensure clean water by eliminating harmful toxins and using only what we need.
- 4 Keep the air fresh by transitioning from fossil fuels.

PLC and Adult Full-time courses in September Enterprise Centre: Business IT Level 5, Advanced Business IT Level 6, Tourism Level 5, Retail Studies Level 5 and Traditional Music Level 5.
