The Eucharist means thanksgiving—a prayer that is a life of gratitude. Each time I gather with you our Parish Community if for me a prayer of thanks to God for each one of you; your kindness; your support of words; your prayer and faith and sense of humour; your generosity to the parish and to me personally knows no bounds. My life is blessed by this prayer of Gratitude to God for all of you. May that prayer bless you each and every day.

Today is Corpus Christi. In recent years we have had a beautiful procession in the Convent Garden led by our First Communion Class. Sadly this is not possible this year. First Communion is postponed until Sept 25th. We pray especially this weekend for our Second Class, our Communion class who will celebrate their First Confession this Wednesday. At the moment our plan and hope is to celebrate Confirmation on July 1st.

We ask your Spiritual prayer for all our young people who begin their Leaving Cert Exams on this Wednesday. Always it is a time of stress for them and for their Parents. There will be a book to write the names of those people doing exams here in the Church, which will be placed on the Altar at each Mass in the coming weeks.

Well done and congratulations to all of our Tidy Town Volunteers. You are doing a great job and we are most grateful to you all.  
(Fr. Frankie)
