You may have noticed the work in progress around the Parochial grounds recently. The plan is to develop the two acres of ground behind the house and Aras Phádraig and make it more accessible to the community. This is a lovely space of green in the heart of the town. The path from the Church to the school will be extended along the Convent wall to come through the orchard to exit at Aras Phádraig. There will be seats to rest on the way. Hopefully we will have a nature garden and plants, trees, shrubs and flowers to enhance the environment. The children will also play a part. Each year the 6th class will plant a tree to begin a tradition. Hopefully this may become a place to walk, to rest, to reflect and even to pray for our whole community. I want to thank David McGourty and his team for their expertise, dedication, enthusiasm and hard work to make this dream a reality.

Prayer to Our Lady of Fatima.

Most Blessed Virgin you revealed to the three little shepherds the treasures of the graces flowing from the Holy Rosary. Grant us a love for this devotion so dear to you. Grant us in particular the grace, which we implore through this novena,, if it be for the greater glory of God, for your honour and for the good of our souls.

Sweet Virgin of Fatima, you brought peace to a troubled world, we beg of you to watch over our dear homeland and assure its spiritual renewal. Bring peace to all nations of the world so that all may be happy to call you the Queen of Peace.

Our Lady of the Rosary, pray for our country. **Our Lady of Fatima**, obtain for all humanity a lasting peace.
