*1 in 4 people will need a blood transfusion at some point in their lives, however, only 3% of the population give blood. Every donor, every donation saves lives."*

## Time to Celebrate

*This week begins holiday time. Schools are closed. Exams are over. Its family time. We ask God to keep safe all our family in the coming months at home and on holiday.*

*This Sunday we celebrate with married couples special Jubilees and Anniversaries. We are delighted to share this day of joy with them and their families. On a day like this, I am very conscious of those who have been widowed and those who have known painful separation. You have a special place in our prayer of today.*

*On Monday evening I would like to invite you to join with my family, friends and fellow priests to thank God for forty years as a priest. The kindness, friendship and generosity of people is a constant source of amazement for me. I have been truly blessed by 40 years of the friendship and the faith and the courage of all of the people, it has been my privilege to serve. Thank you.*

*Mass at 7 p.m. on Monday evening and refreshments in Áras Phádraig afterwards. You are all very welcome to join me.*
