Actions for Climate Justice

FROM TODAY I WILL

Turn off lights when I leave the room

Switch off and unplug TV,s, chargers, laptops etc. when not in use.

Not leave the tap running while preparing food or brushing my teeth.

Reduce, Reuse, Recycle.

Buy locally produced food and plan shopping to avoid wastage.

Plant trees and shrubs.

Encourage my family and friends to do all of the above.

“Let us become agents of His mercy,
channels through which God can water the earth and protect all creation”

Pope Francis.

Lord God, Today, I pledge to join Pope Francis and all our brothers and sisters across the world to take greater care of our common home.

I pledge to do what I can with my family, my school and the local community.

I pledge to use your gifts wisely and carefully, mindful that what I do today will affect our world, the lives of others far away and generations yet to be born.

Lord God, we ask you for the strength to put this into action in our lives and in the witness that we give to others.

We make this prayer through Christ Our Lord. Amen.
