Resting in Peace.

November is the month of letting go. We let go of the light. The leaves gently let go of the trees. We remember all of our Parish Family, who this past year have made the ultimate sacrifice; to let go of a loved one, back into the arms of God's embrace.

As we pray for those gone before us this month, we have a special place in our prayer for those left behind. Your tears that speak of a pain that is greater than words.

November invites us to rest awhile, to remember and rebuild our sheltered lives. God hands are the gentle hands of time, to bring comfort and healing to all wounded hearts.

It takes time; it takes tears; talking to a kind listener can help you to grieve the loss and the pain. Its important to grieve in your own way.

Know that our November prayer is with you these dark November days. Rest assured that your loved one is safe and well, at peace and at home close to God and closer to you than you can ever imagine.

We remember them now in the Litany of Friends to ask their prayer for us in this November time.
