Prayer of Remembrance.

In the rising of the sun and in its going down, we remember them.

In the glowing of the wind and in the chill of winter;

In the opening of buds and in the rebirth of spring;

In the blueness of the sky and in the warmth of summer;

In the rustling of leaves and in the beauty of autumn;

In the beginning of the year and when it ends;

When we are weary and in the need of strength;

When we are lost and sick at heart;

When we have joys we yearn to share, we remember them.

So long as we live, they too shall live,

for they are now a part of us, as we remember them.
