## Fairtrade Fortnight .

Fairtrade is a simple way to make a difference to the lives of the people who grow the things we love. We do this by changing the way trade works through better prices, decent working conditions and a fair deal for farmers and workers in developing countries. Fairtrade is unique. We work with businesses, consumers and campaigners. Farmers and workers have an equal say in everything we do. Empowerment is at the core of who we are.

We have a vision: a world in which all producers can enjoy secure and sustainable livelihoods, fulfil their potential and decide on their future. Our mission is to connect disadvantaged producers and consumers, promote fairer trading conditions and empower producers to combat poverty, strengthen their position and take more control over their lives

Baptisms: We welcome into our Christian Community Deirbhile Ann McManus and Emma Logan who will be baptised in our Community this weekend.

Thank you to all who contributed to the collection for the World Meeting of Families. The amount collected was €1350.00 Yours generosity is very much appreciated.
