Fundraising for Drumshanbo Creative Youth Project: Fathers Day Where's Wally treasure hunt & BBQ @ 2pm at Millrace. on 17th June

- Congratulations to all Fathers and Grandfathers on this your day. May you always know the blessing that you are in our family.
- Our Syrian friends have just celebrated their Ramadam time of prayer and total fast during daylight hours. We share "the blessing" of these days also with them.
- Well done to all our young people on completing their exams. Enjoy the holiday well earned. Be safe and mind each other.

We are called to believe, even if the outer evidence that we see is negative. We are called to believe that, even while God seems to be asleep and far away from us, God's power is still here with us.

We are asked to open our eyes to whatever is good.... Even if it is very small, insignificant and removed from the centre of influence.

We must believe that here is a small seed that God can bring to great growth. We are asked to wait patiently, like the farmer....for lasting growth takes time.

We wait with the sort of hope which inspired a prisoner-of-war to write:

I believe in the sun even when it is not shining:
I believe in love even when I feel it not:
I believe in God even when He is silent.
