Data Protection Legislation came into force recently.

Among the requirement : - Written consent to be obtained from of people whose names are published in the newsletter and whose names and details we have on file for example: - Ministers of the Eucharist, Ministers of the Word, Altar Society, Collectors, Pastoral Council, Finance Committee, Stewarts, Choir members and all volunteering in any other capacity. Consent forms will be in the Sacristy . It is an essential element of Data Protection compliance. I would be grateful if you could treat the completion of this form as a priority. You may complete the form in the Sacristy or take it with you and drop into the Parish office.

Our life if a gift from God.

Our life is a gift from God - Given not in years, but a day at a time. Today is the new day God has made for us, and like every day of life that God grants, it is the most important day of our lives. Yesterday is gone, never to return. We must not worry about it, but leave it in the hands of God. Tomorrow and all that it holds is God's secret and it's coming is not assured. Only today is ours. Each day, arranged by Him with infinite wisdom and goodness is His gift, His active love for us. In thanksgiving we offer Him, every day the gift of ourselves, our works, our thoughts, joys and our challenges. Dear God, we ask you to listen to our prayer and bless all of us with Your peace and love. Amen.
