Season of Creation 1 Sept. – 4 Oct 2018

On September 1 Pope Francis' message for the World Day of Prayer for the Care of Creation focused on water as a precious resource and describes access to it as a human right.

The following is one of his prayers:

Let us pray that waters may not be a sign of separation between peoples, but of encounter for the human community.

Let us pray that those who risk their lives at sea in search of a better future may be kept safe.

Let us ask the Lord and all those engaged in the noble service of politics that the more sensitive questions of our day, such as those linked to movements of migration, climate change and the right of everyone to enjoy primary goods, may be faced with generous and farsighted responsibility and in a spirit of cooperation, especially among those countries most able to help
