## World Day of Remembrance for Road Traffic Victims.

*You are all familiar with the road from Castlebaldwin to Cooloney and the white crosses by the roadside. I counted 33 last time. It truly is "The Way of the Cross".*

*Each little cross is a name , is a person, is a family member . Is it a mother or a father, son or a daughter, husband or a wife, a sister or a brother or all of these together ? Where were they going .... on the road .... and in life. Where are they laid to rest and who are the people who now carry the deep scar in their hearts memory forever.*

*Our Parish of Drumshanbo has known this terrible devastation. We remember each of the families in a special prayer this weekend.*

*More than 3500 people die on the World's roads every day, more than any war, natural disaster or act of terrorism. In 2017, 157 died on our roads, and this year so far 130 people have died . This does not included those people who are disabled for life as a result of road traffic accident.*

*Always, we must remember that when we take up our car keys to drive, we take our life, and the lives of other people in our hands. This is an awesome responsibility.*

*We must never forget .....*

*Always use our seatbelt*

*Never ever drive with alcohol*

*Always give ourselves enough time*

*Never use our phone when driving.*

*Always observe speed limit*

*Never drive when overtired*

*Always use reflective clothing walking or cycling.*

*Never drive defective vehicle.*

*Never travel with someone with whom you do not feel safe.*

**Lord Jesus:**

**Protect all our family and friends as they travel the roads leading to Christmas and beyond.**

**Keep them safe. Mind them on the road.**

**Bring them safely home and comfort those also who have been bereaved. Support them**

**who are injured . Each day let us remember the beautiful gift of life. Amen.**
