## Diocesan Assembly—“ Shaping the future with hope”

As a Diocesan and parish family we continue to prepare for this gathering to take place next year. At present we are in a consultation and listening process. We would like you to partake in this preparation.

Please take home the discussion paper which is located in the porch.

“You might like to chat with family, neighbours, friends or Prayer Group.”

Fill in the form and drop into the box in the Church in the coming weeks (Anonymously or you may wish to sign it)

This is also a time of prayer preparation. Together with Mercy and Poor Clare Sisters we invite you to pray also for this intention during your Holy Hour, Sunday Mass, Rosary, Prayer Group or visits to Knock.

(Fr. Frankie)

When we call on the name of Jesus, we are actually putting ourselves in touch with His presence — a presence that is always with us This is why people can experience the power of the Risen Jesus when they call on His name in Faith.

As we put ourselves in the presence of Christ Jesus, We recognise that He is always with us as He promised.

“Jesus , give us a heart of flesh to hear and to embrace the prayer of hurt, pain, tears and anger of our people.

Jesus, give us Your spirit of trust, as You invite us to walk on the water of our fears”.
