### Day for Life (October 2nd 2016)

Pope Francis reminds us that we are one human family sharing a common home, dependent upon one another and the whole of creation.  
It is our duty to "pay special attention to the most vulnerable"  
When we fail to acknowledge as part of reality the worth of a poor person, a human embryo, a person with disabilities, it becomes difficult to hear the cry of nature itself; everything is connected.  
When we recognise and grow in wonder that we are all brothers and sisters living in one common home, it will not only affect how we care for the environment, but also how we care for one another and how we welcome and accept those with different needs and abilities; refugees, the elderly, the unborn, the forgotten and the abandoned.  
"Growing in wonder will help us to treasure more deeply the gift of human life"

### A Prayer for Our Earth

All powerful God, you are present in the whole universe and in the smallest of your creatures  
You embrace with your tenderness all that exists.  
Pour out upon us the power of your love,  
That we may protect life and beauty.  
Full us with peace, that we may live as brothers and sisters,  
harming no one. (Pope Francis)

### October means the Month of Missions.

The theme this year is "Every Christian is Missionary"  
We are all asked to be missionaries of Gospel Joy.  
Irish missionaries continue to bring the Good News to people all over the world.  
Mission Sunday fall on October 23rd.

### Harvest Dues:

A sincere word of thanks for your continued generosity and kindness.  
The Parish of Drumshanbo is synonymous throughout the diocese for its generosity. Thank you for that and your kindness and support always.  
(Fr. Frankie)

### Feast of St. Francis

Tuesday next 4th October is the Feast of St. Francis.  
It is a special day of celebration for the Poor Clare Sisters and for all of us to remember them in prayer of thanks and good wishes.  
May they continue to be "instruments of peace" in our Parish.
