Springtime Prayer

" Nothing is so beautiful as Spring,
when weeds, in wheels shoot long and lovely and lush"

Spring light in the morning brings with it the hints of hope , and promise of Summer.
So many green shoots and the buds of new life we can so easily miss.
The birds sing the songs of surprise that Winter has removed its grey coat.
The little lambs dance in meadows not yet green in grass.
The sunlight of day stretches the evening to make a mirror of the lake.
The birds and the bulbs, the lambs and the light are a prayer of hope, Spring hope.

Loving God of Springtime
Surprise us with the joy of hope
Melt our Winter hearts with soft breaths of Springtime.
Allow the Holy Spirit of Jesus to fuel bright our imagination with dance, colour and song.
Let us be mindful, joyful and thankful to our Springtime God of life and love. Amen. (FM)

It is not happy people who are grateful. It is grateful people who are happy.
