We are back: After five months, we come together in our Parish Church of St. Patrick's this weekend. It has been a long wait. Thank you for your patience. Covid 19 is still a real anxiety for all of us. So we must adhere to strict guidelines. We can only take 50 people at each Mass. Some will come still to the car park outside. We now have our Webcam in operation. You at home will be able to pray with us and we will be very conscious of your unseen prayer.

How I wish we could have a full Church this weekend. How I wish we could have the sound of our Adult/Folk and Children's Choir. How I miss our Servers. How I miss the handshake of peace. I wish you didn't have to wear the face coverings, book a seat and give your contact number. These luxuries that we have taken for granted have to be "postponed" for a later date. I hope you will come to love the new Church. Many long hours of painstaking work, money and craftsmanship went into it. There will be another time for thanks to all who worked with such care and love, skill and patience using their talents to give glory to God. Just now I want to thank our Finance Committee without whose blessing the work could not have begun. I want to thank the Parish Council for their support, encouragement and advice at all times. I thank the Sister of Mercy and the Poor Clare Sisters for their prayer and practical support these past months.

Above all I want to thank you the people that make up the family of our Parish. Its your prayer, faith and generosity over many years, and those who came before you, your family, who made this work an act of prayer and faith in order to give God glory praise and thanks.

Our Church is open. I pray today that it will be a place of welcome for all who come, friend and stranger, sinner and saint, the young and those who have never grown old. I ask God to make it a place of peace and calm. A place where people can find God and allow our God of unspeakable tenderness to find them.

I ask God to heal wounds of hurt and misunderstanding that might have been caused to any of you at any time. Finally I ask God to reward with eternal life all those who now live in the house of God, that place of peace beyond our wildest dreams.
