November Indulgence.

The gaining of a Plenary Indulgence for those who have died is obviously different this year. People are unable to go to Mass or find it difficult to celebrate the Sacrament of Confession.

I would suggest that if it is possible that you celebrate a Spiritual Communion and a sincere Act of Contrition and then by visiting the Church on All Souls and All Saints days, and by visiting the Cemetery during the month of November you will have fulfilled the necessary conditions for your Indulgence

Resting in Peace.

November is the month of letting go. We let go of the light. The leaves gently let go of the trees. This month we remember all of our Parish Family, who this past year have made the ultimate sacrifice to let go of a loved one, back into the arms of God's loving embrace.

This month we pray for all those gone before us. We have a special place in our prayer this month for all of you who have been bereaved this last year. Your tears speak of a pain greater than words.

The pain of these pandemic days has been felt most keenly by all of you who have lost a loved one. The social distancing, no physical contact, visits to the home not allowed, face covering and only 25 people allowed into the Church for funeral Mass is not our traditional way of offering sympathy to friends and neighbours.

But those standing silently by the roadside often with tears and feeling that pain of distance is our way, our only way for now, to offer you our sympathy and be with you in solidarity.

November invites us to rest awhile. It invites us to remember and rebuild our shattered lives. God's hands are the gentle hands of time, bringing comfort and healing to all wounded hearts. Grief takes time, it takes tears. Talking to a kind listener can help you to grieve the loss and the pain. It's important to grieve in your own way and in your own time.

Rest assured that our November prayer is with you these dark November days and nights. Know that your loved one is safe and well, at peace and at home close to God and closer to you than you can ever imagine.
