## Prayer for Victims and Survivors of Abuse –

### Candle of Atonement Prayer

Lord, forgive us our many sins.  
 We grieve and repent with all our hearts for having offended you, for our great failings and neglect of the young and vulnerable.  
 We place all of those who have been hurt by the Church in any way into your loving hands and under the protection of Our Blessed Mother.  
 Lord, bring peace to their broken lives and show us all the way out of darkness and into the light of your Word.  
 May we as the people of God be more fully human, more fully Christ-like and more fully your people, that we may see the errors of the past and go forward with renewed hope and faith in Christ and in our Church.  
 Amen.

### Trócaire 2021...Until love conquers fear.

By now hopefully you have received your Trócaire box. This year the focus is on the suffering people of south Sudan, personified by the two mother Ajak and her friend Awut. Widowed by war, trapped in poverty and the endless awful war and fearful of the Covid pandemic, they have no hope without our help. (Fr. Frankie)

This is my cry to you: please don't leave us alone. We are going through deep pain. Give your support this Lent to my people in South Sudan. In their poverty, in their fears of war, in their traumatised spirit, they are trying their best to come out of it. That child who is crying may be the future leader of this country, who will transform this whole thing. We shall not give up, and we shall always pray for you. Hold our hands. Walk with us. We need your prayers. We need your support. With your help a good day can come for South Sudan.  
 (Fr. James ....South Sudan Council of Churches)
