St. Patrick's Day Novena.

St. Patrick's Day is nine days away as I write, "a Novena Time". It was this time last year our Church closed..... all changed, changed utterly. "The normal" became "A new normal", a changed normal for everyone, everywhere and at every age. Patrick is the Patron of our County and our Parish. In the recent past St. Patrick's Day has become "Paddy's Day", a day of secular celebration and sadly at times a day of excess alcohol consumption. It had become a day that had lost its roots of faith and hope, the faith of our fathers and our mothers.

Patrick was a real person. He was strong, humble, brave and prayerful. He had a passionate love for the Irish people. His Breastplate Prayer is a powerful prayer of protection.

Christ be with me

Christ be beside me

Christ be before me

Christ be behind me.

Christ be at my right hand.

Christ be at my left hand.

Christ be with me everywhere I Go.

Christ be my friend for ever and ever . Amen.

This year let us turn again to Patrick and rediscover his faith, friendship and protection for all of our land and for all of our people who are far away.

This week I invite you to do two things. I ask you to pray St. Patrick's Breastplate as a prayer of novena during the coming week. There are copies of the prayer on post cards in our Church. We invite you to take a card and write to your friends, neighbours or family abroad or to people in Nursing Homes and Hospitals and people who have not been home in ages.

We will also place a book in the Church for the coming week. I invite you to write the names of family or friends living abroad this St. Patrick's Day, writing the name of the country where they are. We will place their names on the Altar for our Mass on St. Patrick's Day in order to remember them in a prayer of peace and protection, the prayer of Patrick for them. (Fr. Frankie)
