Our Lady of Clonfert Prayer.

Our Lady of Clonfert, I come you as one of your children, who will never forget the importance of a woman like you. I come because I believe in you. I come to say thanks for the past and the present and ask you to bless me in the future.

You know me, you know how I live and you know my needs. Please help me especially when I need you most. I have problems, worries and anxieties the same as everyone else, help me to cope. So often I would just love to give up when life hurts me and people betray me, but give me the courage never to lose heart

Bless my family, my life and my friends. Help me, no matter what happens to me in life, to believe to trust and to hope. Our Lady of Clonfert, Pray for us.

A Rosary for the World : The month of May is the month of Our Lady, Mary Our Mother. Pope Francis has asked that this year , the month of May will be dedicated as a “marathon of prayer”; he asks us to pray for an end to the pandemic which has affected the family of our world for more than a year. Pope Francis wants to involve all the Shrines to Our Lady throughout the world In the light of the scripture;
“Prayer by the Church was fervently made to God” Acts 12:5

All people of faith are asked to join in this rosary of the world in all the languages of the world. As well as the prayer of the Rosary, each day is characterized by a prayer intention for the various categories of people most affected by the pain of this pandemic for instance:
 those who have not been able to say goodbye to their loved one..... all health care workers..... for the poor..... and so on.
 The World Rosary will take place in Knock on the 10th May. The intention of that day is for all those who live with disability or underlying conditions.

Each Shrine is called to promote as much as possible the participation of the faithful, so that everyone can devote a moment to daily prayer, in the car, on the street, and thanks to communication technologies, with the smartphone, requesting the end of the pandemic and the resumption of social and work activities. Pope Francis will open and close the prayer, along with the faithful around the world on May 1st. On this occasion , he will bless special Rosaries used particularly for this event which then be sent to thirty Shrines directly involved including Knock.

We fly to thy protection, O Holy Mother of God.

Despise not our petitions in our necessities,
 But deliver us always from all dangers,
 O glorious and blessed Virgin. Amen.

During the month of May,
 Sr. Helen and Sr. Mary will
 lead the prayer of the
 Rosary each Thursday
 @ 7 p.m. via Webcam.
