The Sunday Gospel has this beautiful word "Calm". It is one of my favourite words. The phrase Jesus uses to still the storm "Quiet now, be calm". This could be a mantra prayer for us every day, but especially in times of anxiety, fear, uncertainty and pandemic.

"Quiet now, be calm"
 Jesus speaks to our troubled and our anxious minds always.

We thank God today for those people who carried that calmness in their voices, in their faces, in their touch and in their smile for us always, reminding us that all will be well.

Calm the Soul

When my boat, Lord, is storm tossed and sinking

When fears in my head take control,

Say "Be not afraid" to my spirit

And your answer will calm the soul.

When I flounder around in deep waters,

When the stresses of life take their toll,

A sudden deep hush steals upon me,

Your gentleness calms the soul.

When my life seems full of confusion

And I have lost sight of the goal

As I stumble about in the darkness

May Your gentle light calm the soul.
