Holiday time:

This week we begin the School Holidays. Exams are over for our young people and now they can relax now after a very difficult year. The Sixth Class prepare for their Confirmation and to say farewell to their days of Primary School. Our school staff can close the doors of their classroom , remove their face masks , with a sigh of relief that this year, so difficult with so many restrictions have come to an end; and a prayer of heartfelt thanks that all the children are safe and well and growing up in every way.

Again I want to again thank t you he School Community of Parents, Children and School Board for all your cooperation, understanding and support this past difficult year. To you our staff in St. Patrick's Primary School and D.V. S, I thank you for all the sacrifices that you have had to Make to keep our children, our community, and your own families safe.

I hope we will always remember this last school year, not with sadness and regret, but with pride and thanksgiving that so many people made so many sacrifices to keep others safe and to support the work of our Frontline Workers. Together all of you helped to "to save lives". All of you can take a well earned bow, but more importantly now a well earned break, rest and well deserved holiday. May you continue to be safe, well and ready and renewed for school in September. (Fr. Frankie)

Father, Creator of all,

Thank you for Summer!

Thank you for the warmth of the sun and the increased daylight.

Thank you for the beauty we see all around us and for the opportunity to be outside and enjoy the beauty of the world .

Thank you for the increased time we have to be with our friends and family, and for the more relaxed pace of the Summer season.

Draw us closer to you this Summer.

Teach us how we can pray no matter where we are or what we are doing.

Warm our hearts with the awareness of your presence and guide our path each day with your loving care.

Amen.
