## Refugees

They have no need of our help  
 So do not tell me  
 These haggard faces could belong to you or I  
 Should life have dealt a different hand  
 We need to see them for who they really are  
 Chancers and scroungers  
 Layabouts and loungers  
 With bombs up their sleeves  
 Cut-throats and thieves  
 They are not  
 Welcome here  
 We should make them  
 Go back to where they came from  
 They cannot  
 Share our food  
 Share our homes  
 Share our countries  
 Instead let us  
 Build a wall to keep them out  
 It is not ok to say  
 These are people just like us  
 A place should only belong to those  
 who are born there  
 Do not be so stupid to think that  
 The world can be looked at another way.  
 (Now read from the bottom up)

No room at the Inn
