Do not undermine your worth
by comparing yourself to others.

It is because we are different
that each of us is special.

*"Go placidly amid the noise and the haste,
and remember what peace there may be in si-
lence.*

*As far as possible, without surrender,
be on good terms with all persons.
Speak your truth quietly and clearly;
and listen to others,
even to the dull and the ignorant;
they too have their story.*

*Avoid loud and aggressive persons; they are vexatious to the spirit.
If you compare yourself with others, you may become vain or bitter,
for always there will be greater and lesser persons than yourself.*

*Nurture strength of spirit to shield you in sudden misfortune.
But do not distress yourself with dark imaginings.
Beyond a wholesome discipline, be gentle with yourself.*

*You are a child of the universe no less than the trees and the stars;
you have a right to be here.
And whether or not it is clear to you,
no doubt the universe is unfolding as it should.*

*Therefore be at peace with God,
And whatever your labours and aspirations, in the noisy confusion of life,
keep peace in your soul.*

*With all its sham, drudgery and broken dreams,
it is still a beautiful world.*

Be cheerful.

Strive to be happy."
