### **Saint Padre Pio. Feast day 23rd Sept**

Loving Father, Touch me now with Your healing hands,  
for I believe that your will is for me to be well in mind, body, soul and spirit.  
Cover me with the most precious blood of your Son, our Lord, Jesus Christ  
from the top of my head to the soles of my feet.

Cast anything that should not be in me.

Root out any unhealthy and abnormal cells.

Open any blocked arteries or veins and rebuild and replenish  
any damaged areas.

Saint Padre Pio, I place this my prayer in your hands Amen.

### Season of Creation.

We are called to be co-creators of our wonderful planet but what can we do to heal, help and restore our precious - earthly home.. 'Given a chance nature will go wild so perhaps we could consider working *with* nature in this regard rather than working *against* it. .

So, instead of strimming or mowing every last blade of grass, why not grow some native wildflowers - this would be a good time to do this? Or leave a wild margin at the edge of your garden- Or if you own land, you could consider agroforestry, or giving over an acre, or even a small patch to growing trees and wildflowers.

The bees, the insects and all the beings that share our planet home will benefit from your promoting biodiversity in this way. (Joe Murray)
