Diocesan Assembly and Synodal Journey

"We are about to resume our Diocesan Assembly preparations this month. **Since we started our Assembly journey in 2019, the Catholic Church throughout the world is about to begin a series of conversations about what God wants of his people at this time. These conversations are often referred to as a Synodal Process. "Synodal" comes from a Greek word which means "walking together". In this diocese we are well placed to join in this synodal process because our Assembly journey is within the spirit of synodality.**

Sunday 17th Oct. we mark the opening of this worldwide Synodal Process entitled, "For a Synodal Church: communion, participation and mission". **This will be a time of prayer, listening and discernment, in our diocese and in the Catholic Church worldwide. It will allow all people - both within the Church and in society at large, to share their insights into the Catholic Church in Ireland – past, present and future – so that we can prepare for a National Synodal Assembly in the coming years.**

To begin the Synodal journey, and the resumption of our Assembly, Bishop Francis will celebrate Mass in St Mel's Cathedral on Sunday 17th Oct. at 10am. Mass will be live on Shannonside and on www.longfordparish.com.
