Clocks go back one hour Saturday night

Memory is one of God's greatest gifts. We know that when some people, sadly, lose that gift of memory. In November we give that gift of memory to those who have gone before us, our family and our friends who now live beyond the reach of darkness and death. November is their gift to us also as they continue to bless, support, help and care for us by their unseen prayer.

Our thoughts are with you who have been bereaved in the past 12 months, restricted in our ability to grieve with you. Our prayer knows no restrictions and so we gather you and the one you have "lost" in our prayer, that they will be "found" by the Good Shepherd who carries them safely home to the Land of Light, Laughter and Love
Today we remember in prayer with you the names of the people who were laid to rest in our parish or passed away in our parish during the past 12 months.

Support humanitarian crisis in East Africa:

Trocaire special appeal for next weekend.

Across East Africa families are facing severe famine; people and livestock are dying due to Climate factors and Covid. 30 million people in Somalis, Ethiopia and Sudan, South Sudan, Kenya, Uganda, Republic of the Congo at present are facing life threatening food shortages. Trócaire is asking people in every parish in Ireland to remember and support its work to alleviate the suffering of these children, women and men, our brothers and sister. You may wish to include something extra in your offertory collection envelope or use your own envelope and mark it Trocaire. Thank you.
