Our Diocesan Prayer.

Jesus make of our Diocesan family, of 41 parishes a place of joy and laughter, where all our children will be safe, free and feel at home.

Jesus keep us united as a family of lay and religious, young and old, women and men, as we bid farewell to Francis our Bishop.

Jesus together, may we reflect Your dream of our Church as a "Mother Hen" who gathers all under her wings of shelter and protection. AMEN

The generosity of you the people of Drumshanbo never fails to amaze me—even shock me. When we counted the money of our Sunday collection for Trocáire last week. Instead of the usual generous 1600 euro approximately, we received from you €4600. It simply leaves me speechless (that's a hard thing to do)

Seriously on behalf of the people of East Africa, Somalia, Ethiopia, Sudan, Kenya, Uganda and Republic of Congo , thank you. May you never want and be truly blessed by God with the same generosity as you have always shown to those in need.

We were all surprised even shocked with news during the week that we are losing Francis our Bishop. He is being transferred to become Archbishop of Tuam in the coming weeks. We will miss him. Personally I always found him to be humble, hardworking , always kind and a good friend. I ask you to keep him in your kind prayer as he faces into a new challenge and even greater burden of responsibility. We wish him well as he goes to serve his new flock in Galway and Mayo in his new Archdiocese. May God bless Francis with good health and many kind friends in his new home.

Rosary will take place in the Hill Cemetery on Sunday at 3 p.m. Remember Pope Francis has extended the indulgence for the month of November for a visit to a cemetery.

To mark the end of COP 26, we will have a time of prayer and Adoration in our Church on Sunday next from 1.30 p.m. until 6.30 p.m. Rosary at 3p.m. and Evening Prayer Reflection at 6.pm. (Fr. Frankie)

Thank you, Lord, for all that you have given us.

Thank you for the beauty of the universe that You created:
the trees, the sky, the mountain, the rain.

All things hold beauty in themselves and all are related and touch each universe of the earth.

You created the rhythm and pattern of the universe
in a harmony of movement, sight, and sound.

Help us to appreciate Your creation
and to live with our eyes, ears and hearts open to Your message.

AMEN.
