Advent is the prayer of waiting:

Waiting with the excitement of the child for the Toy Show.

Waiting with bated breath of parents for their baby to be born.

Waiting with hidden pain and shame for the court case.

Waiting in fear and hope for the MRI results.

Waiting anxiously for the Covid test results.

Waiting patiently for the next vaccine.

Waiting in vigil for that last breathe and final farewell.

Waiting for this pandemic time to come to an end....

Waiting in the prayer of Advent Time.

Let us breath the Advent Prayer MARANATHA.

Let us become one breath in the Advent Prayer of our world.

Waiting, waiting, forever waiting for Christ our healing,
our hope and our Friend.

Blessing of a Crib.

Loving Father: out of great love for us. You sent Your Son, Jesus to become one of us, our flesh and blood.

Jesus was born in a cattle shed, giving us an example of humility and reminding us He is found among the poor.

We ask You to bless our family Crib.

It reminds us forever of the Christmas Story.

May this crib draw us closer to Jesus our brother, as a family, and with the family of the poorest of our world.

Make of our hearts a space, a manger of compassion and welcome where Christ Child can be born this Christmas 2021.

(The youngest member of the family blesses the crib with holy water.)
