A PRAYER FOR THE NEW YEAR 2023

At the close of the year we give thanks for the many blessings that came to our Community since this time last year.

As we look forward to a New Year we pray God's protection on our elderly who have borne the pain of isolation during the pandemic.

May we always appreciate the wisdom of their years.

Our youth are our hope for the future; may God bless our Primary, Secondary and Third Level Students as new horizons open up before them.

Bless our families and teachers and all involved in forming the next generation.

May the kindness of those who contribute so much to our community in a voluntary capacity and in every facet of life in our parish always be appreciated and blessed.

As we welcome those who have come to our Parish seeking refuge, we pray that our hearts will always remain open to the plight of those in greatest need.

In the words of Pope Francis for this year of the Poor 'let us make charity, faith and hope the basis of our lives and our actions'.

We pray eternal rest and peace for those who left this life during the past year and may those who are grieved at their passing be consoled by the assurance that they will one day meet again in their new home in Heaven.

May the Lord bless and keep all of us safe in the year ahead.

Amen. (Sr. Helen)
