Recently Deceased: We remember in our prayers Tom Joe Ward, formerly of

Aghacashel, brother of Eileen Barry who passed away during the week.

May he rest in peace.

Please return your nominations for the Pastoral Council this weekend

Lourdes Church Gate Collection next weekend.

This week we celebrate the Feast of St. Patrick, our National Patron and the Patron of our Parish, School and Church. We can never forget after these past Covid days how great is to be able to come together to celebrate this parish, family and community day.

The webcam has been such a blessing as we can be joined in prayer with family, friends and neighbours from all over the world. Our world is small place when it can fit into our little Church friends and family from far away places.

We can never forget that now, in our Community we have people from other lands, especially Poland, Ukraine and our Syrian neighbours and friends as well as people from many other places who now make their home with us.

Any real celebration of St. Patrick is a celebration of Irish hospitality for all those who have come to make their home with us.

Sadly this day has too often been associated with the excessive abuse of alcohol. I believe that we are better than that, and we can celebrate in a way that doesn't cause upset or harm to ourselves or others.

Our native colour is Green. It's a colour of Spring and colour of hope. May this St. Patrick's Day be a springtime of hope after Covid for all our Community and all our people all over the world.

"Christ in the mouth of friend and stranger"
