On this Mothers day, we remember all mothers, grandmothers, expectant mothers and mothers who have known the pain of heartbreak, and our own mothers especially, in a prayer of deepest gratitude for the gift of our life.

A Prayer for Mothers.

May the blessing of PEACE fall upon them, peace in their hearts and peace in their homes, peace in their country and peace in their world.
May the blessing of peace be theirs.

May the blessing of HOPE fall upon them, hope in their pain and hope in the joy, hope for the poor and hope for the lonely, hope for those who are struggling and hope for those who have given up.
May the blessing of hope be theirs.

May the blessing of GOOD HEALTH fall upon them, health in their minds and in their emotions, health in their bodies and in their souls.
May the blessing of good health be theirs.

May the blessing of HAPPINESS fall upon them, happiness in their family and in their homes, happiness in their decisions and in their memories.
May the blessing of happiness be theirs.

Mary our Mother and Queen of Peace.
We entrust the lives of all mothers to you.
Shelter all mothers from war, violence and hurt.
