Pope Francis Writes: "You need to see the entirety of your life as a missionary", because each and every one of us is able to say: "I am a missionary on this earth; that is the reason why I am here in this world"

Our shared mission as Christians is to bear joyful witness wherever we find ourselves, through our actions and words, to the experience of being with Jesus and members of his community, which is the Church. That mission finds expression in works of material and spiritual mercy, in a welcoming and gentle way of life that reflects closeness, compassion and tenderness, in contrast to the culture of waste and indifference. By being a neighbour, like the Good Samaritan we come to understand the heart of our Christian vocation: to imitate Jesus Christ, who came to serve, not to be served

This week 26 boys and girls in Second Class celebrate their First Holy Communion. We congratulate them, their families and their teachers. It's a blessing for all our Community. Remember in prayer today your own First Holy Communion.
