Lord Jesus. Send your Spirit to guide us,  
so that as we journey through life,  
we go with Your blessing.

Next Week begins the month of July; exams are over and the schools will close for the Summer holiday time. It's a time to thank God once again for all our School Staff, Primary and Secondary and to thank God for all our children and young people as they continue to grow in mind, in body and in spirit. We are blessed with our two schools, St. Patrick's N.S. and D.V.S. and the wonderful care, commitment and dedication of the whole school staff. It's a pleasure and a privilege for me to visit and I will miss the beautiful sound of the children at play for the next 8 weeks.

Holiday time means a holy time, quality time with family and with friends. It's a time to "catch our breath", to enjoy the gift of all that is best and free, fun and friendship and the freedom of our own home place; a freedom that we should never take for granted again after the Covid years.

My prayer for this Summer is for each one to stay safe and keep each other safe also. Especially I pray for our 29 sixth class boys and girls who move now into the exciting journey of adolescence, new friendships of secondary school and the wonder of teenage years.  
(Fr. Frankie.)

#### **Prayer For Our Young People**

May you treasure your gifts and talents and use them well for your own good and the good of all creation.

May you know God's great love for you and always believe and trust that He has a great plan for you.

May you always appreciate the gift of faith and continue to grow in friendship with Jesus.

May God bless and protect you and keep you safe as you set out on the next part of your journey in life. Amen.
