Feast of Our Lady of Mercy 24 September

On this day, in 1827 a house of Mercy was opened in Dublin by Catherine McAuley, became the Foundress of the Sisters of Mercy which today spans 44 countries world-wide. Catherine McAuley was historically paired with Daniel O'Connell, both of whom strove for a better Ireland, he at the level of parliamentary negotiations, she through the Spiritual and Corporal Works of Mercy.

'A Grateful Contemplation of God's World which allows us to discover in each thing a teaching which God wishes to hand on to us' and 'To Care for our Common Home' by simple daily gestures that seek to build a better world.

This week we have a special prayer of thanks for the gift of the Mercy Sisters in our Community for the past 31 years.

This weekend I welcome Fr. Pat Byrne. Fr. Pat is a Divine Word Missionary and will share his experience and invite your typical generous response to his Mission Appeal.

I will be going to Lourdes with the CASA Pilgrimage this coming week. Of course I will always bring the prayer of all of you with me, but if you would like to write a petition (sealed envelope—no money). I will be more than happy to take it and place it in the Grotto in Our Lady's hands for you.

Please pray for our group also.

Fr. Frankie
