Christmas is a prayer of thanks for the human face of God which is Jesus. Wherever there is generosity and compassion we are touched on the cheek by the Spirit of Jesus. Whenever we see tears of pain, laughter or compassion we glimpse the Face of Jesus, that is the Face of our God. We are the apple of God's eyes.

My thanks to you "my parish family" for taking me to your heart. Thank you for your understanding and support, your prayer and your faith and always your amazing generosity to me personally.

I am truly blessed and to all of you I say thanks. My prayer this Christmas can only be one of gratitude for your amazing courage, understanding, sacrifice and resilience during these last two year. Thank you. God bless you all. May you all be blessed, safe and protected during Christmas and the New Year.

May we continue to protect each other. (Fr. Frankie)

When all the World's Asleep.

Brush the floor and clean the hearth and set the fire to keep
And they might visit us tonight when all the world's asleep.
Don't blow the tall white candle out
But leave it burning bright
So that they know they are welcome here
This Holy Christmas Night.

Leave out the bread for them and sweet milk for the child
Joseph will have travelled tired and Mary pale and wan.
And they can sleep a little while before they journey on.
They will be weary on the road and rest will comfort them
For it must be many a lonely mile from here to Bethlehem.
O long the road they have to go the bad mile with the good
Till the journey ends in Calvary beneath a Cross of Wood.

Leave the door upon the latch and set the fire to keep...
And pray they'll rest with us tonight
When all the world's asleep
