A Time of Hope:

We continue to prepare and pray for our Diocesan Assemble which takes place the weekend of May 14 & 15. As we prepare for our Diocesan Assembly , the Church throughout the world is preparing for a very important Assembly, called a Synod which takes place in Rome in October 2023.

This is a call to listen, to reflect upon, to try to understand, to pray and to respond to how and where the Holy Spirit is calling us as a family of the Church at this time. It is a time to listen to the abuse and hurts of the past so that it will never happen again. It is also a chance for all people of faith all over our world to share their hopes and their dreams of where "The Face of Jesus" can be recognised, welcomed, cared for and loved in our time and in our home place.

This is an exciting opportunity of hope and faith that the God of Jesus still leads us with great tenderness as a family of people to a future full of hope and compassion, for us and for all our children and our brothers and sisters of the world.

A Prayer for the Synodal Pathway.

Lord of all hopefulness, as we embark on this journey together, may we listen and discern and be guided by the Holy Spirit, who constantly breathes new life into our world, our hearts, our families, homes and parishes.

May renewal and reform, fresh hope and healing come for all people of God in Ireland.

By virtue of our baptism may we each play our part in transforming the Church through a fresh outpouring of the Holy Spirit which is your gift and promise, upon our land.

A Mhuire Mháthair, mother of the Church, guard and guide us on our pilgrim way. Amen.
