All Night Prayer Vigil for Ukraine.

This St. Patrick's weekend we are holding an All Night Vigil of Prayer in our Church of St. Patrick. Beginning after Mass on Saturday night it will end on Sunday morning for Mass in the Poor Clare's at 9 a.m. This is a time of quiet prayer, intercession and Adoration for the people of Ukraine, Russia and all the people in our war torn world.

Dr. Declan Loftus writes:

Happy St. Patrick's weekend to all. It is now 2 years since this terrible virus hit our country.

It has affected almost everyone in the country and has had devastated effects on all of us especially on our nursing homes and hospitals.

We have been very lucky in this parish and most people have survived it.

I would like to thank all the people for their large effort in every way for keeping the numbers down.

Everyone made sacrifices – from the school children to the elderly. The vaccine had a large effect on it and I would like to thank my staff for all their hard work with everything.

I would also like to thank our local groups who supported the sick and the elderly.

We are now at a stage that most of the restrictions have been lifted, but I would like to remind you that this virus has not gone away. There are still over 1000 in hospital at the moment.

I would ask everyone to look after themselves for the next week or two, and please follow the guidelines as they were.

And finally, thank you to Fr. Frankie and The Sisters for all their support and prayers.

Have a lovely week.

Dr. Declan
