This week we welcome over 200 Ukraine people into our Parish Community, mostly women and children. Watching the nightly news reminds us of the waking nightmare that these families have been through, and their sleeping must have worse nightmares about family and friends left behind.

I know that these people our new friends will open our hearts in typical Leitrim hospitality to envelope them in the embrace of our kindness and generosity. Our wonderful School Staff, Primary and Secondary will go out of their way to welcome the young people and make them feel safe and at home in the classrooms. This is a great challenge for our school, already overstretched, but it's a challenge they are more than happy to embrace with typical enthusiasm.

This Sunday is a special day for the people of Ukraine .In their Orthodox tradition it is their Easter Sunday, their greatest Feast Day of the year. So this our Sunday, of Divine Mercy, I ask you to hold them especially in the heart of your prayer .

Loving God, We pray for the people of Ukraine,
For all those suffering or afraid,
that You will be close to them and protect them.
We pray for world leaders
for compassion, strength and wisdom to guide their choices.
We pray for the world, that in this moment of crisis,
we may reach out in solidarity to our brothers and sisters in need.
May we walk in Your ways
so that peace and justice become a reality for the people of Ukraine
and for all the world. Amen.
Our Lady Queen of Tenderness, pray for us.
