## DIOCESAN ASSEMBLY

The work of our Assembly is now complete. A draft report has been circulated to the delegates; this will be finalised by the end of the month and made available to all the parishes. The final report will be submitted to the National Synod Committee and with submissions from all the dioceses of the country will form part of one submission to the Synod in Rome in 2023. The Committee will continue to work on implementing the decisions of the Assembly in our Diocese and will inform us of the process going forward. Thanks to all our delegates who have faithfully stayed with the process and contributed so generously to the final outcome.

Friends are those rare people who ask how we are then wait to hear the answer.
