Watching the Ceremony celebrating the Platinum Jubilee of Queen Elizabeth, I can't help to have admiration for her years of service for her people with dignity and respect. I am reminded of our own Mother Angela celebrating her Platinum Jubilee this year as a member of "Our Community". No big celebration or television coverage, but we have just a quiet prayer of thanks for the gentle listening and the kind smile that has shared our anxieties, joys and hopes for 70 years. Thank you Mother Angela.

You will notice the work around the Church as the Council workers erect al Pedestrian Crossing from the Car Park. Thank God this will be a safer place for all our people especially in dark nights of winter. Thanks to our local representative .

Cemetery Sunday and the blessing of the graves in New Cemetery will take place as usual on Sunday 31st July. Unfortunately I am away at a family wedding that weekend. The blessing of the Church and Upper Cemeteries will take place on Monday 15th August at 8 p.m.

Pentecost is one of my favourite Feast Day, the wonder, beauty and joy of God's dancing Spirit:

Spirit of Jesus: Come to us this Pentecost Time

***Come like the gentle breeze of Summer
to calm, guide ,relax and refresh us again.***

***Come like the flames of a welcoming fire to make a circle of space
for the friend and the stranger.***

***Be the breath of God to make us instruments
to play the music of laughter, love and healing for all our world.***

Finally, a prayer this week for all our boys and girls who begin their exams on Wednesday.

Do not be afraid. All will be well.

(Fr. Frankie)
