World Day of Migrants and Refugees.

**65 million people uprooted in our world and displaced
half of them children
Three thousand people drowned in the Mediterranean in 2015
Ireland has pledged to take 4000 Syrian refugees.
So far 500 accepted.**

.....
**Lord, You are a voice
that represents our tears.
that represents our cries.**
**We pray we may make a place at our table
for the cries and tears of our world,
A world in need of healing,
A world that is forever searching,
searching for hope and goodness.
We yearn to be united
in the love of every race and creed,
So that our world can imitate
a gentle God who is born into our world
to care for and love all peoples,
whose cries and tears
have no voice
Amen**
