He Will Guide You

Do not look forward to the changes and chances of this life with fear:
 Rather look to them, with full confidence, as they may arise.

God to whom they belong, will in His love enable you to profit by them.

Do not look forward to what may happen tomorrow.

The same Eternal Father who cares for you today will take care of you tomorrow and every day of your life.

Either He will shield you from suffering or He will give you unfailing strength to bear it

Be at peace then, and put aside all useless thoughts, all vain dreads and all anxious imaginations. Amen.
