**ST. PATRICKS — (OUR SCHOOL )**

For over 40 years, the people of Drumshanbo have been loyally served by a dedicated group of teachers that have maintained the highest educational standards throughout the years while fostering a friendly and caring atmosphere for the children of our parish during their important formative years. Each one has left an indelible imprint on the school's rich history in their own unique way. In this, Catholic Schools Week, it is important to recognise the wonderful environment that has been created in the school which makes it much more than just a place of learning. It is a place that says "your child is safe here in our care" and long may this ever be the case.

Martin McGowan, Chairperson B.O.M
