Song of Bernadette.

"There was a child called Bernadette

-so the story goes-

She saw the Queen of Heaven once
And she kept the "vision in her soul".

Led by a lady with a lovely smile
Bernadette uncovered a Spring of Well-Water
Hidden in the most unlikely place.

She released the hidden Spring as a stream
to flow for us, for free and forever,

From that rock under the grotto at Lourdes.

Still it streams, bringing its song of freedom

For all who come to bathe in the Springtime of the Lady's smile.

It is the water of laughter and joy and peace,
Making compassion and forgiveness from pain and hurt.

Forever.
