## Prayer for Valentine's Day

God of Compassion and Love,

On this Valentine's Day I thank You for the gift of love that has blessed my life.

Thank You for all the people young, old and in between whose love has made a difference in my life.

Continue to fill my heart to overflowing with Your love.

Allow me to share Your love with the whole world -

Especially with those on the margins ,and with all those who have never known the hug of God's Love.

We make this our Valentine Prayer .

Amen
