World Donor Week

Give my sight to the man who has never seen a sunrise,
Give my heart to a person whose own heart has caused nothing
but endless days of pain.

Give my blood to the teenager who has been pulled from the wreckage of his car,
If you must bury something, let it be my failings, and my prejudice.
If by chance you wish to remember me, do it with a Kind deed or word
to someone who needs you.

If you do all I ask, you will live forever.
