Fr. Frankie writes:....

I am now seven days living among you.

Its all new, strange and different...the landscape, the accent, the faces the Church.

Everything is a surprise.

Since I came I have been met only with the warmest handshakes and the kindest smiles.

"I hope you'll be happy here with us" is the most common phrase.

I thank you for the kindness and welcome. It means so much.

I am learning. I have so much to learn. I am a slow learner. Be patient with me.

I am blessed with the prayers of the Sisters and this Community. Please continue to remember me in your kind prayers.

Our thoughts and prayers continue to be with Fr. Peter.

Sadly last week he laid to rest his sister Mary. So we extend our sympathy to all of the family and we ask God to gather Mary into the lap of his love forever.
