Year of Mercy

We don't use the word mercy that much in everyday speech.

We speak of " - "mercy" at Mass - "Lord, have mercy, Christ, have mercy " and "Lamb of God, you take away the sins of the world, have mercy on us".

We tend to use words like compassion, kindness, understanding, reassurance, consolation and forgiveness to capture some of the meaning of mercy.

Mercy is about attitude and actions that are life enhancing; mercy can help us have a rich and warm relationship with God and our neighbour .
(Pastoral letter for The Year of Mercy.....Bishop Francis Duffy)
