Lord Jesus, Your face lighted with kindness, reflects the Face of God, forever free from the frown of fear.

Lord Jesus, give to our lives the joy of laughter, the gift of tears and the blessing of friends.

Lord Jesus, Your wide open arms invite us to trust and to walk on the waters of our fears, towards the God who stays awake in the night until we come home safely.

Lord Jesus, Help us to believe in God's face of compassion, God's touch of forgiveness, God's passion for justice and God's care for all of us.

Lord Jesus, help our hearts to sing in freedom the song of Francis... the prayer of Your love for the flowers and the fields, for the birds and the sky, for the stars and the night and friends and strangers of our lives.

Lord Jesus, bless us with Your gift of a life of love and a love of life, help us to live it gracefully every moment of every day of our lives. (Fr. Frankie)
